

## Water

The City of Akron provides water to the northern and eastern portions of the Township, through the Joint Economic Development Agreement. Most of the area south of the S.R. 162 does not have water service available. Most properties in the southern portion of the Township have individual water wells.

For information on water service, please contact the City of Akron at 330-375-2554 or visit their website at [www.ci.akron.oh.us](http://www.ci.akron.oh.us)

## Sanitary Sewer

Sanitary sewer is served by the City of Akron or Summit County Department of Environmental Services.

For information or service please contact the city of Akron at 330-375-2554 or visit their website at [www.ci.akron.oh.us](http://www.ci.akron.oh.us).

For County of Summit Department of Environmental Services, contact them at 330-926-2435 or visit their website at [www.co.summit.oh.us/executive/does](http://www.co.summit.oh.us/executive/does)

## Septic Systems

Many residents in Copley Township have Septic Systems. These systems are regulated and monitored by the Summit County Board of Health. The Ohio Revised Code requires septic systems to be cleaned out at least once every three years. Since 2008, the Health Department requires a Point of Sale inspection when a parcel is sold or transferred. For more information on the requirements of Septic Systems, please contact the Summit County Board of Health at 330-929-4891 or visit them on their website at [www.schd.org](http://www.schd.org)
