The Copley Township Historical Society will hold an Open House this Saturday, August 14 from 1-5 p.m., at 3772 Copley Road. The public is invited to tour the historic 1891 train station, see a replica of a steam engine, coal car, and caboose that was hand made by Edward Shepherd from Cuyahoga Falls, and take a look back in time. Light refreshments will be served in Depot Park under the shade trees.
