

ARTICLE 5 – Industrial District

5.01 I – Industrial District

A. Purpose

This District is primarily intended to accommodate limited manufacturing, wholesaling, warehousing, research and development, and related commercial or service activities which in their normal operations have little or no adverse effect on adjoining properties. Provision is also made for a wider range of assembling, fabricating, and manufacturing activities as conditionally permitted uses, provided they can meet the standards necessary to insure that the effects of their objectionable characteristics on adjoining properties can be minimized.

B. Permitted Uses

1. The following, except as may be otherwise regulated herein, are permitted. The manufacturing, compounding, processing and assembling of products such as:
 - a. Bakery goods, candy, cosmetics, pharmaceuticals, toiletries and food products; except fish or meat products, sauerkraut, yeast and rendering or refining of fats or oils.
 - b. Products from the following previously prepared materials: bone, canvas, cellophane, cloth, cork, features, fiber, glass, hair, horn, leather, plastics, precious or semi-precious metals or stones, sheet metal (except where presses over twenty (20) tons rated capacity are employed), rubber, shell, textiles, tobacco, wax, wood (where saw and planing mills are employed within a completely enclosed building).
