To Whom this may concern:

I am writing this letter to express my support of the development team comprised of F Street Development and Boulder Venture.

We have had an excellent experience with the development team in Glendale, WI relating to their successful conversion of a hotel to apartments in 2016. We were impressed with their diligence, communication, and professionalism throughout all stages of the approval and conversion process. They remain excellent partners of the City of Glendale and continue to manage the asset diligently. Of significance to this project was their sensitivity to the surrounding neighborhoods in the planning and redevelopment phases.

Based on our experience here, I support the F Street and Boulder Venture development team and believe they would be an excellent fit for a similar conversion in your municipality.

Thank you.
