parking lot at Copley Park. You will be directed.

There will be 4 shuttle buses running from 11:45 a.m. to 7:30 p.m. Two will pick up at B&W. Two will pick up at Car Parts Warehouse, Hummel Funeral Home, Walterville and Copley Middle School's parking lot on Schoolcraft. Current COVID guidelines recommend wearing masks on the bus and only one person per seat unless related. A limited amount of disposable masks will be available on each bus.

## COVID GUIDELINES

Governor DeWine announced Ohio's existing health orders, including the statewide mask mandate, will be rescinded on June 2. Following this announcement, the Centers for Disease Control and Prevention (CDC) issued guidance stating anyone who is fully vaccinated can participate in indoor and outdoor activities, large or small, without wearing a mask or physically distancing.

**Guidelines for buses:** The charter company highly recommends masks while on the bus. Each bus will have a limited amount of disposable masks if you need one. It is recommended one person per seat. If you live in the same residence/group then two per seat.

**Guidelines for children:** Children under the age of ten may be unmasked and limited to groups of ten.

For more information go to the Summit County Health Department website <https://scph.org>

We will have four wash stations in the event area as well as hand sanitizer throughout the venue.

Plus, you're invited to stop by the Loop Tent to get to know a few of the local businesses that make up The Loop and while you're there, you can participate in a whole new community art project. Get ready to puzzle pieces together and help create mosaics on two nature-themed picnic tables!

**THE BEER TENT:** The Beer Tent is back for 2021 and this year, we have a brand new brewery in Copley to brighten our Heritage Day! If you haven't gotten to know Brighten Brewing Company yet, this will be an excellent opportunity to do just that. And if you've already visited Brighten since they opened just north of Copley Circle, this will be an excellent opportunity for you to support them at the park! Bring your food and your family and meet up with friends to relax with a cold beer under the shade of the tent.

## COMMUNITY NEWS

### Copley Outreach

The Copley Outreach has been very blessed with the support of so many people! Not only have we had many, many food donations over the past year, we have been able to finish much needed upgrades to the inside and outside of the Center, through some very generous grants and donations.

Wes Henry's non-profit group, Angels in BlueJeans and his team of volunteers, stepped up and renovated the entire inside of the Center, adding new windows, walls, LED Lighting, flooring and a new Bathroom and Kitchen!! And to top it off they added a Dumbwaiter to help transfer food to the second level and lots of storage shelving upstairs and down.

In November of last year, we were able to have a sign placed in the front yard, by Bob's Sign & Lighting Repair. Through Bob's connections he got most of the materials for the sign donated.

We were fortunate enough to have Frank Miller, of B & M Home Improvement volunteer to put in all of the new windows, and then add insulation and vinyl siding to the exterior of the house. And thanks to Scott Welsh at Copley Tool Rental who donated a bucket lift for the day, to make it easier for Frank to reach the peaks of the house. Frank is also donating new

gutters on the back end of the house! What a difference it has made to this original downtown Copley house. Having this done will definitely add new life to this lovely old house.

When looking to get estimates on the cost of redoing the parking area, Perrin Asphalt & Concrete came in with a very generous offer! Perrin graciously offered to donate all of the grading and paving! Through their generous donation, we will have a much safer parking area for our families and volunteers. R & T Swartz Landscaping has also stepped up and added a retaining wall to keep things in place!

Thank you to all of the volunteers and workers who have helped to make the Copley Outreach Center a much safer environment. And thank you to the community, through your continued support no family will go hungry!
