Heritage Days 2022

## Heritage Day 2022 Spirits of Copley

The 1st Annual Spirits of Copley, a wine and beer tasting hosted by the Copley Heritage Day Committee and The Copley Chamber of Commerce, will be held at Copley Community Park on Saturday, August 6th from 7:00 PM until 9:00 PM. Settle in and savor a little liquid flavor from The Winery at Wolf Creek and Brighten Brewing Company while enjoying the music of The Ben Gage Band! Tickets for both single glass and flight options may be purchased at the event, and all proceeds will benefit the Copley Chamber of Commerce Scholarship Fund.

During this special event, the Chamber will also be presenting their first Paul Janos Community Impact Award in honor of Paul Janos, President of the Copley Chamber's Board of Trustees from 2016 through 2020, who passed away in 2020 after a long battle with cancer. Paul's passions for community, service, and lifting up the underdog were evident to all who knew him, and his impact on the Chamber itself was immeasurable. The Chamber would like to recognize people in the community who have been living their lives with those same passions in appreciation of the impact of their service and in honor of Paul's. This first year, the award will be presented to Helen Humphrys for her years of service not just as a Copley Trustee, but also as a volunteer and constant supporter of the community events and organizations that help make Copley a place that we're proud to call home.

# Special Events from Copley Chamber of Commerce and The Loop in Copley

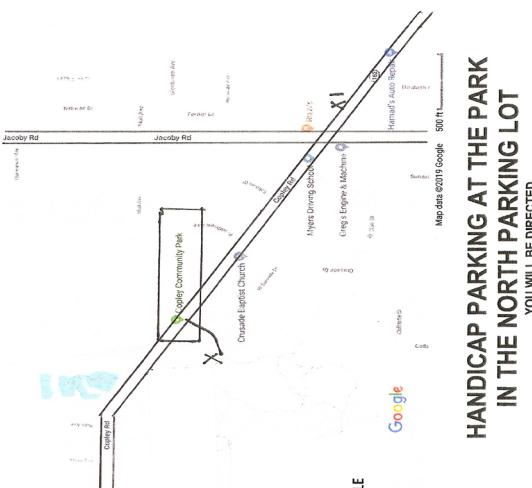

## The Loop Tent

For the third year, The Loop In Copley invites you to stop by the Loop Tent to participate in a Community Art Project. In 2019, there were canvases to paint. In 2021, there was a table to cover with mosaic pieces. And now, in 2022, there will be Sharpie Art Tiles! Everyone will be welcome to take a ceramic tile (while supplies last) and experiment with Sharpie markers and rubbing alcohol to create their own personal work of art and then leave their art with The Loop. The Art Tiles created will be used to cover a second table frame matching that of last year's mosaic table, and both tables will be installed in Copley for future community use!

And whether you're creating your own artwork, waiting for someone you love to create theirs, or simply want to admire the creations of others, you can still get to know a few Loop Members while you're there! Joining in The Loop in the tent will be Carve Your Own Path, Inc., The Family Room, LLC, Sandra Wentz with Juice Plus+, The Market Path, Master Pizza, Moonshine Arts, Christina Warner with Neora, NEO Yoga School, and Senn's Custom Laser Engraving. For updates, or for pictures of past Community Art Projects, visit [loopincopley.com/happenings](http://loopincopley.com/happenings).

## Baby Changing/Nursing Mother's Tent

We would like to thank the Covenant of Grace Church once again for taking care of our moms by providing them a place to change and nurse their babies. Look for the white 10' x 20' tent with sides, to give you privacy as well as a rocking chair, baby changing table and supplies/diapers in case you run out. It's also big enough to take your toddlers and young children in with you. The tent will be open for business from 12:30 PM - 6:00 PM.
