Heritage Day Issue 2008

Copley Township HERITAGE - COMMUNITY DAY August 2 2008

Dear Copley Residents,

The Copley Heritage - Community Day Committee would like to welcome all of you to this year's 2008 Celebration of Copley Township. In continuing to support our armed forces, this year our theme is "Remembering Our Stars and Stripes." Please note some changes to the venue this year.

The name has been modified to include "Community". Our township is growing, bringing new residents each year. As we celebrate our heritage, we want to assure all residents, past, present and future, this is a Community Celebration and all are welcome.

The location has changed from Copley Circle to the Copley High School, located at 3807 Ridgewood Road. The new location increases safety and convenience for visitors as well as Township Fire, Police and Service personnel. Offering a variety of events and activities in one location decreases the need for road closures. Please note Ridgewood and Cleveland-Massillon Roads will be closed during the parade and fireworks. Additionally, the high school provides extensive parking. The final change is reducing our celebration to a one-day event.

Saturday, August 2, 2008 from 2:00 p.m. - 10:00 p.m.

We are looking forward to creating memories and enriching our community's heritage.
