

Where Things Get Solved When You Get Involved!

Looking for a way to get involved in your community or a chance to meet your neighbors and contribute to Copley Township? The Copley Community Volunteers/Ambassadors group has the answer! This group of Copley residents started out creating events for our Bicentennial Celebration in 2019 and have been active in community events ever since! In 2023, the volunteers joined with our Neighborhood Ambassadors and, together, they support and participate in Township events and communicate with their neighbors about Township happenings and with the Township about neighborhood happenings!

The first event of 2025 will be the annual Copley Car Show in July followed by Heritage Days in August. If you have ever attended either event, you know that it takes many hands to make it all happen! So...how do you get involved? If available, join us on Monday, March 31, 2025 at the Town Hall at 6:00 PM. While we enjoy some light refreshments, we can talk about all the plans that are already underway and the volunteer opportunities that these celebrations offer. There are tasks that take an hour or two along with those that require more of a commitment; all are essential to ensure that the celebrations continue. We'll also have time to discuss any concerns or issues in your neighborhood and answer any questions you may have about Township happenings!

If you don't "do meetings" - no problem. You can keep updated through the Township website, call me, Janice Marshall, at the Town Hall (330-666-1853) or email me at jmarshall@copley.oh.us and sign up to volunteer and receive email updates. There are no restrictions on how much - or how little - you do. The important thing is to get involved in your community!
